Total of BPPVE Approved Degree Schools 271

* "Approval" or "approval to operate" means that the council [Bureau] has determined and certified that an institution meets minimum standards established by the council [Bureau] for integrity, financial stability, and educational quality, including the offering of bona fide instruction by qualified faculty and the appropriate assessment of students' achievement prior to, during, and at the end of its program.

** "Registered," "registered institution," or "registered educational service" means any individual or organization that offers an educational service and is registered to operate under Article 9.5 (commencing with Section 94931) of the New Private Postsecondary and Vocational Education Reform Act.
